## FROM THE PASTOR'S DESK

### LAAMB UPDATES

For those from LAAMB who live full-time on the Peninsula, this has been a challenging winter. I can fairly say, I had no idea that the heavens could hold so much snow. We've had two Sundays when services in Wiarton were cancelled, and one Sunday when St Edmund's also had to close. However, being duly pandemic-trained, we were able to gather for worship on ZOOM. Many have told me "this is a good old-fashioned winter". Others have said it has been the worst or second-worst winter they have experienced here on the Peninsula for snow. I can think of nothing more Canadian than beginning our newsletter with a weather update ☺

January and February also are generally our Vestry and Annual Meeting season. However Christ Church Vestry and St Peter's Lutheran Annual General Meeting were postponed to March – so stay tuned for updates from those fronts in the next KEY.

At our February LAAMB Annual Vestry Meeting, we met upon two challenges:

1) We encountered a CRA decision needing to be made for the amalgamated Anglican Parish of the Bruce (APB). APB is comprised of Church of St Edmund's (Tobermory), St Margaret's Chapel (Cape Chin), St Andrews Memorial (Howdenvale) and Trinity Anglican (Warton). The decision that came before the Vestry was regarding how the amalgamated CRA number should be approached – as one number to serve the entire APB, or one number with a separate suffix for each congregation of the APB. I was very thankful for the engagement of the gathering on ZOOM and in-person, who requested more clarity on the implications. Parish Partnership Council is presenting pros and cons of the two options in this issue, and will present a process document in the April issue. Questions and conversations are welcome and encouraged.

2) We were challenged in electing a second churchwarden from the vestry floor in February. Jim Blight, after two challenging years agreed to continue as People's Warden. Brian Reis requested to step down. We are thankful to you Brian for your steady service during the past two years. The second churchwarden may be elected by me, as the Rector's Warden, but we have not had volunteers to serve in this capacity, except Mona Goulette, whom some of you know as Rev Mona. The Anglican Canons do not allow clergy to serve as churchwardens. But, recognizing that, as individual congregations and as a parish, we are doing good ministry in each location, I made an appeal to the Diocese that we have Mona appointed as a "friendly administrator" with these responsibilities:

Follow The Spirit

- to build capacity within the parish, especially within lay leadership roles (possibly to include coaching);
- to work together with the current warden, as well as with the councils in each congregation and the PPC, in effect acting as the second warden until a suitable lay leader may be appointed;
- that the initial appointment be for one year, with a renewal possible beyond that.
- that she may also serve priestly duties where helpful and needed, to allow me to work individually with congregations on Sundays after worship.
- that she may support communications within the congregations regarding CRA number requirements for the amalgamated Anglican Parish of the Bruce, as we move more fully into the amalgamated reality.

In a way, Mona will be serving as a “friendly administrator” who functions much as a churchwarden would, but with the added benefit of serving with priestly duties. I am deeply thankful for her willingness to serve. Jim wholeheartedly supported this appeal, and with Mona’s blessing, it was submitted to the Diocese office. We’ve received Bishop Todd’s go-ahead and we look forward to welcoming Mona in this leadership capacity. I trust completely that God is tooling us for whatever blessings our future is to bring – as disciples witnessing on the Peninsula.

You may have questions or be interested in talking about our CRA number, or church leadership. Please know that Jim, Mona and I are available to discuss. Please call or email us at  
 Janaki (your pastor) – [janakibandara@diohuron.org](mailto:janakibandara@diohuron.org) or cell 519-588-7701  
 Jim (your churchwarden) - [jmblight1974@gmail.com](mailto:jmblight1974@gmail.com)  
 Mona (your friendly administrator) – [mona.goulette@gmail.com](mailto:mona.goulette@gmail.com) or cell (519-379-3484)

Changes in our operations and even leadership structures may be inevitable in these changing times – but our faith remains focused on God whose love and mercy are our saving grace.

Much love, in Christ

## THURSDAY MORNINGS, FROM 10 TILL AROUND NOON

My wife, Meg, our two daughters and I stumbled onto Tobermory in 1990. We were delighted to find an active Anglican church and even more delighted to find Jean Hayes whom we had first met at our new parish of St Matthew's in Windsor. Jean was leading weekly Bible study on Thursday mornings.

Over the decades Bible study has continued on Thursday mornings. Jean no longer leads but she continues as a participant. Bible study is now led by Bernadette Burton. Through the marvel of Zoom we have Bible study throughout the year and no matter where we may be we are able to join. Still, if you are averse to Zoom and can get to Tobermory in the warmer months, Bible study is also available in person.

Over the last few months participants in Bible study have been from Texas, Florida and Michigan in the USA, from Portugal, and from Port Perry, Kitchener, London, Wiarton, Lion's Head and Tobermory in Ontario. I hope I have not forgotten anyone.

You need not be a Bible whizz to be a part of the group. The participants have varying levels of knowledge. Some of us are wordy and some are more measured. No one feels compelled to talk.

Apart from Bible study we have our rituals. For the first half hour or so we gab. Since we live far apart, especially in the cold months, we exchange news, share news about members who could not make it, pray especially for members, friends, family who have problems of many kinds, upcoming medical appointments.

As to the serious stuff, we read the four parts of the Lectionary for the upcoming Sunday in turn: Old Testament, Psalm, Epistle, Gospel. After each section we chat. Why did the geniuses who chose what to include in the Lectionary include verses 13 to 19 and did not continue to 22? What did the part before Verse 13 say? What can we learn from each part? Do the four parts have a common theme? It is

satisfying to find such a theme but sometimes we are left wondering. I can tell you that after Bible study, hearing the part in church makes far more sense than hearing it cold. The sermon will usually focus on one or more of the parts but rare is the preacher who will cover all four.

After some sessions I am more touched by what someone has shared, maybe some deep, inner thoughts, than I have been by the readings. Although we may be far apart geographically, we are drawn together.

Try it, just maybe you will like it. If you email [dburton41gmail.com](mailto:dburton41gmail.com) you will get emails each week with the Zoom link and the readings for that week.

## NEXT AVGEN ORDER IS SUNDAY MARCH 30<sup>TH</sup>

## Choose

It's that time of the night again.  
That time you dread.  
Restaurants, malls and churches lock their doors.  
The sun sets and the city grows dark.  
The wind picks up and you feel the bitter cold  
biting at your skin.  
You knew this time would come.  
You prepare yourself for reality.  
The time has come.  
It's time to Choose.  
The man in his 70's or the woman in the  
wheelchair.  
Choose.  
The guy in the alley or the girl in the doorway.  
Choose.  
The woman who has been walking all day or the  
man the hospital dropped at the corner.  
Choose.  
The girl who wants to die or the guy that's always  
kind. Choose.  
The man who can't stop coughing or the  
woman who can't feel her fingers.  
Choose.  
Choose who is warm.  
Choose who will freeze.  
Choose who goes inside and Choose  
who doesn't.  
40 beds to 500 people.  
The sickening reality you face daily.  
On the drive home you cry as you watch  
your people shiver.  
Curled under blankets. Huddled in  
doorways.  
You wonder whom you'll lose tonight.  
Who won't make it.  
You question the ethical state of our world as you  
hold your head in your hands.  
You feel anger, hurt, sadness and disgust well up  
inside you.  
Why some get denied basic human rights.  
Not because they are not worthy or loved but  
because human greed has decided their lives  
aren't cost effective.

You can't breathe.  
Your heart aches.  
You feel a pain that won't stop hurting.  
Why for the love of God do we have to Choose?  
Do you not see that every human life holds  
value?  
How do you sleep knowing you hold all the  
cards?  
There is more than enough for everyone.  
Please don't make me Choose.  
House our people.  
NO ONE SHOULD DIE IN THE COLD

# SUNDAY HUMOUR

## ICE FISHING

A man goes out ice fishing one morning. He reaches the ice and is about to cut a hole in it when he hears a voice from above: "There are no fish here."

The fisherman is shocked but gets up and moves to another spot. As he's about to cut a hole, he hears a voice from above again, "There are no fish here either."

He gets up and moves to a third spot. Before he's even finished walking, the voice says, "I'm telling you, there are no fish here."

The fisherman says, "God, how can you be so sure there aren't any fish here?"

The voice replies, "This is the ice rink manager."
